WHAT IS CONCAVE?

Concave is a relaxed weekend of socializing for science fiction fans of all ages. Our goal is to continue the fannish traditions of bringing together a diverse group of people, connected through an interest in SF and all its trappings, stand back, and see what happens. We try to introduce new generations to the family of SF fandom while honoring some of the people who have contributed greatly to this lively sub-culture. Concave is NOT about panel discussions, workshops, and meeting pros, but it is a great way to meet others who share your interest in the fantastic! In addition Concave is a **non-profit** corporation and donates to Caveland Area causes and charities.
